

FEBRUARY 20, 2023

Diocese of Gary's Youth Council

Happy February!

Next meeting: Sunday, February 26, 1-3:00 PM

We will continue our conversation about our "big idea" for DYC. This is a very short update!

Don't forget to turn in your permission forms! Even if you are 18, your parents still need to complete a permission form for each meeting. Thank you!

Can't make it? Make sure you let Vicky know! Thanks!

Notes from Last Meeting

DYC met in January meeting and after sharing what's going on at their parishes, the teens learned about a way to prayerfully discern as a group called "Spiritual Listening." Spiritual listening is a tool that was first used with the Jesuits as a way of discerning how the Holy Spirit is working within a group. It is a tool that Pope Francis has also encouraged to be used throughout the 2021-2024 global Synod process. The teens discerned their gifts and talents and how they can use them for their parishes and schools.
